

ABOUT THE NAME

NATURALLY NATASHA™

I chose the name *Naturally Natasha*™ because I'm no longer hiding who I am. This is me daring to be bold — reflecting His glory in His name and by His authority, walking in the dunamis power of the Holy Spirit.

The word *Naturally* is authenticity in spite of rejection and abandonment. No filters. No facades. Just who God made me to be.

It's homage to Him — for creating me, and for accepting who I am, and whose I am.

BECAUSE BROKEN ISN'T THE END.
